

DELL GROVE TOWNSHIP MAIL BOX POLICY

(Updated January 2024)

It shall be the policy of Dell Grove Township to repair only those mailboxes, located on Township roads, that were damaged by snow removal equipment under our authority. The mailboxes must have been mounted at least 42 inches above the road surface on a swing-away type support. Non-standard mailbox installations will not be repaired.

Note: Approved swing-away mailbox stands can be found at Menards, etc.
